PROFILE SUMMARY

Motivated Full Stack Developer with hands-on experience building responsive web applications using HTML, CSS, JavaScript, Node.js, Express.js, PostgreSQL, and REST APIs. Strong foundation in Java, SQL, and backend development with experience deploying projects, debugging issues, and integrating databases. Quick learner with strong problem-solving skills seeking a Full Stack Internship opportunity.

INTERNSHIP EXPERIENCE

Salesforce Developer Intern

Jun 2023 – Aug 2023

- Completed training on automation, APIs, and system design within the Salesforce ecosystem
- Assisted in troubleshooting application issues and resolving user-reported problems
- Debugged workflows and optimized process automation for improved system performance
- Worked with APIs and backend services to ensure smooth functionality and reliability.

PROJECTS

BookNest – Full Stack Reading Tracker Web App

- Developed a responsive book browsing website with clean UI for displaying multiple books and categories.
- Built reusable layouts using Bootstrap grid system for mobile and desktop responsiveness.
- Added interactive navigation, structured book cards, and user-friendly design elements.
- Deployed project using GitHub Pages for live access and version control.
- **Technologies:** HTML, CSS, JavaScript, Node.js, Express.js.

Travel Tracker Web Application

- Developed a full-stack application to track and manage countries visited by users.
- Built backend services using Node.js and Express.js with PostgreSQL integration.
- Designed SQL queries including joins and filtering for dynamic data retrieval.
- Improved user experience with responsive frontend templates using EJS.
- **Technologies Used:** Node.js, Express.js, PostgreSQL, EJS, SQL

Chat Amigo – Real-Time Chat Application

- Built a real-time chat system with Firebase backend services
- Monitored and resolved message delivery and authentication issues
- Debugged latency problems and improved response time for better user experience
- Ensured reliable data handling and system stability through testing and issue resolution.

CERTIFICATIONS

- Full Stack Web Development Bootcamp – Udemy
- Java Full Stack Training – CVCORP, Hyderabad
- Completed Cybersecurity Foundations
- Achieved Salesforce Developer Certificate

EDUCATION

09/2021 - 09/2025	B.tech in Computer Science Cybersecurity at SRM University, AP.	CGPA: 7.65
07/2019 - 07/2021	Class 12th in M.P.C at Sri Chaitanya College	Percentage: 92.0%
05/2018 - 05/2019	Class 10th in SSC BOARD at Bhashyam School	Percentage: 87.4%

TECHNICAL SKILLS

Front-end development:	HTML5, CSS3, JavaScript, Bootstrap, jQuery, EJS
Backend Development:	Node.js, Express.js, REST APIs
Database:	PostgresSql, MySQL.
Programming:	Java, Python, SQL
Tools:	Git, GitHub, Postman, VS Code
Operating Systems:	Windows, macOS (System-level Troubleshooting)
